## REMOTE POLICIES FOR SENIORS 2020 - 2021

### Remote Classroom Norms Fall 2020

- Make sure to check Google Classroom daily for each class
- Check ipolyhighschool email daily
- Check remind daily
- Make sure your video, audio, and mic are working. Contact your house teacher if this is not possible with your device. The school can provide help.
- Please be in class by the start of class time. It's considerate to make sure your peers and teachers can get started on class material and not have to repeat things that have already been covered.
- Your camera **MUST** be on during discussion. For non discussion classes it is the teachers' discretion.
- Your teacher may sometimes ask for a chat monitor so that someone can help keep track of any pertinent questions or comments. Please do your part by taking turns with others to help in this capacity.
- You have all been added to IPoly Class of 2021 Google classroom, please check it for Monday morning (before 8am) for instructions.

### **Schiller-Neuroscience**

- For attendance, log on to google classroom during the first 5 minutes of each class. Check to see what the schedule is for that day (Google Meet, activity, discussion, etc.)
- Textbook: Biopsychology by John Pinel
- Available for office hours Monday/Wednesday 1:29-2:55
- If you have any questions, please email me at [schiller\\_whitney@ipolyhighschool.org](mailto:schiller_whitney@ipolyhighschool.org)

### **Thinnes - Discrete Mathematics**

- Textbook: Pearson: Discrete Mathematics, 8th Ed.
- For attendance, there will be an attendance question posted at the beginning of the block.
- I will be posting video tutorials to assist with each lesson.
- There will be an assignment for each lesson. It will be due at the end of the week via Google classroom.
- Office Hours: By appointment only. Please email me and we can set this up. Team 12 meets on Tuesdays and Thursdays so meetings will most likely be Mondays and Wednesdays.
- If you have other questions, please email me at [thinnes\\_kara@ipolyhighschool.org](mailto:thinnes_kara@ipolyhighschool.org)

### **Anaya- Government/Economics**

- **Class norms/rotation expectations:** Check in on google classroom within the 15 minutes of class everyday and await instructions. Most first rotations will have a lecture via google meet. Sometimes there will be a different activity but logging into the google classroom and awaiting instruction will ensure that you will be where you need to be and completing the necessary tasks for that day. Second rotations will usually be a discussion based off something taught during first rotation or a question/statement that will be given to prior to the discussion. Third rotation will usually be some sort of follow up activity to further the discussion or the lecture/content from before.
- **Office Hours:** I will be available during 4th block most days. Team twelve meets tuesday and thursday so office hours will more than likely be monday and wednesday from 1:30-2:55pm. Please email me to set up a meeting if needed. [anaya\\_christopher@ipolyhighschool.org](mailto:anaya_christopher@ipolyhighschool.org)
- **Required Textbook:**  
Economics by Arthur O'Sullivan, Ph.D. and Steven M. Sheffrin, Ph.D.  
ISBN# 978-0-13-330693-4  
Magruder's American Government by Daniel M. Shea ISBN#978-0-13-330699-6  
The Publishers for both of these textbooks are Pearson. These books will be provided to you. You will be responsible for these books so do not damage or misplace them. You will be charged for any damages or having to replace it should anything happen. If you do not pay these fees your diploma may be withheld at graduation. There will be other texts read in class but they will be provided to you, you will not be required to purchase any additional books.
